Healthy Meals for All

Transforming Lives, One Meal at a Time

Share the Bounty's impactful past events involved collaborating with The Salvation Army Family, providing back-to-school items to a women's and children's shelter. They also organized barbeques in local communities, serving healthy meals and making donations at Freshco markets. Additionally, Share the Bounty donated food packages and grilled nutritious meals at Arbour Mill Apartments, supporting the local community directly.

Building a Brighter Future

Share the Bounty has exciting future events planned to raise awareness and engage the public in fighting hunger. This includes setting up booths at local fairs, accepting donations of school supplies and clothes during the back-to-school period, and continuing to hold barbeques for communities in need. Through partnerships with local businesses, Share the Bounty will collect excess food supplies to distribute as packages and healthy meals to shelters across Ontario with the help of dedicated volunteers.

Making a Difference Together

Make a difference with just one meal. It eliminates the uncertainty of hunger for those living below the poverty line or struggling to afford healthy food. In Canada, a healthy meal costs an average of \$3, three times a day, and 365 times a year, totaling \$3,285 annually. Your donations enable us to organize larger events and provide nutritious meals to more Canadians in need.
